

Tori 2 LED

Internal, Wall Mounted

Description

Elegant in design, wall bracket with energy efficient LED technology. This new opal acrylic material is not only impact resistant but looks just like glass. This is very beneficial when requiring the look of glass without having the safety issues associated with glass.

Specification

Code	LS0300-03-5D3401
Mounting	Wall
IP	20
Light Source	LED LLE Zhaga Modules
Input voltage	240v 50hz
System Watts	5.2
Luminous flux	618
CCT	4000K (Optional – 3000K)
CRI>	80 (Optional CRI90)
Diffuser	Satin opal acrylic
Driver (ND)	Integral constant current non-dim
Dimmable (D3)	Basic Phase Cut
Power Factor	0.89
Base	Steel powder coated pearl white
Fixings	Chrome plated
Dimensions (mm)	250 (H) x 150 (W) x 125 (D)
